

MEDIATION MECHANICS

Where Conflict Becomes Opportunity

BASIC TRAINING IN DIVORCE AND FAMILY MEDIATION

Mediation skills and strategies for family and divorce mediation.

This is a 50 hour (6 days) professional training course for

mediators

attorneys

advocates

social workers

psychologists &

allied professionals,

who provide dispute resolution services to families before and after divorce/separation.

The course includes the

legal

cultural

psychological &

financial implications of divorce as well as mediation skills, and conflict resolution.

By the end of the course delegates will be able to follow a structured mediation process to conduct a mediation service for the drafting of a professional Parenting Plan and/or Memorandum of Understanding.
